AMENDMENT

Hon. Commissioner
of Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

This amendment is submitted in response to the office action mailed January 23, 2003 from the United States Patent and Trademark Office for the above-identified patent application. Please make the following changes:

IN THE SPECIFICATION:

(1) The paragraph from page 6, line 9 to page 6, line 13 has been replaced with the following:

Figure 1A shows an event finder formed of a navigator and a radio transmitter. In the example of Figure 1A, the event finder includes a navigator display 22 and a navigator controller 24, and a radio transmitter 24. There are various databases and transmission methods available at preset or in the near future. An example of such database includes

A1
